## SUMMARY

**AI-focused Associate Product Manager with 2+ years of experience shipping 0-to-1 products in a B2B SaaS environment, from AI powered RAG-based assistants to intelligence-driven search features driving measurable gains in efficiency and reducing support queries. Skilled at translating customer needs into data-backed product decisions and communicating impact to stakeholders.**

## EXPERIENCE

### Associate Product Manager at Diaspark

Sep 2025 – Present

*Bridging customer needs and AI innovation to create high-impact enterprise products.*

*Indore*

- Assisted in driving the 0-to-1 AI product lifecycle for Luxare Repair, managing 5+ modules independently and contributing to a 20% improvement in client operational efficiency.
- Spearheaded the deployment of an AI powered Search Job and Knowledge Base assistant using Fine-Tuning and RAG, reducing support queries by 25%
- Managed and prioritized the AI product backlog based on customer needs, while defining and tracking success metrics to drive data-driven decisions, improve stakeholder alignment, and accelerate development cycles by 30%.

### Associate Product Manager at LeadSquared

May 2024 – Sep 2025

*Driving product growth through agile delivery, and data-backed UX improvements.*

*Bangalore*

- Spearheaded product discovery for LeadSquared's ticketing platform by conducting 30+ user interviews and competitor analysis, resulting in a roadmap that reduced feature delivery time by 25%.
- Delivered 5+ product initiatives end-to-end with 90% on-time releases by aligning product goals with engineering efforts using Trello, ProductBoard, and Jira.
- Drove a 30% increase in user engagement by leveraging Pendo and Clarity to identify drop-off points and introducing data-driven UX improvements.
- Accelerated feature delivery by 20% by streamlining sprint rituals including backlog grooming, sprint planning, and retrospectives, proactively unblocking cross-team dependencies.

## EDUCATION

### Indian Institute of Management

Kashipur

*Master of Business Administration, CGPA-6.7*

*2022 – 2024*

### Panjab University

Chandigarh

*B.Sc (Hons.) Physics, CGPA-8.6*

*2018 - 2021*

## PROJECTS

### IT Product management, Kashipur

Jan 2024-Mar 2024

- \* Prepared a comprehensive PRD and prototype for R.Gen, an AI-powered decision-making platform integrating with Zomato, Swiggy, and BookMyShow to recommend meals, travel, and entertainment, focusing on user experience
- \* Conducted market research, competitor analysis, and user interviews to define target segments, key features, and value propositions for R.Gen, positioning it as a unique lifestyle companion app with multiple revenue channels including subscriptions and commissions
